SIZE & DESCRIPTION

With elevations from 5,300 to 7,500 feet, this large, working cattle and sheep operation consists of 69,550± contiguous acres including 35,700± deeded acres, 25,850± BLM lease acres, and 8,000± State of Wyoming lease acres. The ranch is bordered on the northwest by the North Platte River starting at the Gray Reef dam and running downstream for approximately 12 miles. The headquarters are on the north portion of the ranch with the remaining ranch running to the southeast from the riverbanks to the top of Bear Mountain. Livestock water is provided from a wide variety of sources including streams, springs, reservoirs, solar wells, electric wells, and artesian wells. The winter range starts at the river bottoms and continues upward in elevation to the summer country which overlooks Pathfinder and Alcova Reservoirs.

LEASE INFORMATION

There is a Bureau of Land Management (BLM) lease and State of Wyoming grazing leases which, upon approval of the appropriate agency, will transfer to the buyers at closing. The BLM allotment #496308 on the Marton Ranch consists of approximately 25,850 acres. The grazing allotment allows for 3,050 total AUMs which was assessed \$1.35 per AUM. The total amount payable for the lease equates to approximately \$4,117 each year of the lease. BLM leases are renewable every ten (10) years.

The State of Wyoming leases, Numbers 1-7713, 1-8737, and 3-7119, consisting of approximately 8,000± acres are rated at a total of 1,429 AUMs for twelve months. State leases in Wyoming are renewable every ten (10) years and most of the leases on the Marton Ranch expire in 2018 and two in 2022.

Any and all leases associated with the subject property, upon approval of the appropriate agency, will transfer to Buyer. Seller agrees to relinquish all rights to any and all leases at day of closing.

CARRYING CAPACITY / RANCH OPERATIONS

The ranch has at least ten large pastures with ample water for livestock being provided by electric wells, solar wells, artesian springs, streams, ponds, and reservoirs located throughout the ranch. The grass cover changes dramatically from the banks of the North Platte River to the top of Bear Mountain. The owners utilize the lower areas as winter feeding areas and move the cattle upward throughout the grazing season.

The current owners are presently running 450 mother cows, 80 yearling heifers, and 24 bulls along with 2,300 ewes, 485 yearling ewes, 74 rams, and eight saddle horses. They buy approximately 600 to 650 tons of hay from the nearby neighbors to supplement the winter feeding program. *Note: Carrying capacity can vary due to weather conditions, management practices, and types of livestock. Interested parties are urged to conduct their own analysis.*

IMPROVEMENTS

The improvements are nice, but not overdone, in good repair and ready to move in with a continuance of the present operation and include the following:

- Main Residence: 3,100 sq. ft. brick home with four bedrooms and four bathrooms with a three car attached garage built in 1974. This is a one-level ranch-style home in good condition and is located along the river.

STATE OF WYOMING

Wyoming is a state that offers an incredible diversity of activities, geography, climate, and history. Just a territory in 1869, Wyoming became the 44th state in 1890. The state's population is 563,626, and provides a variety of opportunities and advantages for persons wishing to establish residency.

Wyoming's energy costs are the second lowest in the nation, and the cost of living index is below the national average. Wyoming ranks among the top ten in the entire United States for educational performance. There is no state income tax, and Wyoming offers an extremely favorable tax climate:

- No personal income tax
- No corporate income tax
- No gross receipts tax
- No inventory tax
- Low retail sales tax
- Low property tax
- Favorable inheritance tax
- Favorable unemployment tax

According to Michael B. Sauter, Alexander E. M. Hess, Samuel Weigley, and Ashley C. Allen of 24/7 Wall Street, Wyoming is a model of good management and a prospering population. The state is particularly efficient at managing its debt, owing the equivalent of just 20.4% of annual revenue in fiscal 2010. Wyoming also has a tax structure that, according to the Tax Foundation, is the nation's most-favorable for businesses - it does not have any corporate income taxes. The state has experienced an energy boom in recent years. The mining industry, which includes oil and gas extracting, accounted for 29.4% of the state's GDP; more than in any other state. As of last year, Wyoming's poverty, home foreclosure, and unemployment rates were all among the lowest in the nation.

COMMUNITY AMENITIES

Casper, Wyoming is located in central Wyoming and is the second largest city in the state. Casper is the county seat of Natrona County and in addition to city and county government offices, it also has several federal government offices including a branch office of the 10th Circuit Federal Court, Social Security Administration, and the Federal Bureau of Investigation to name a few. The official website for the City of Casper at www.casperwy.gov states the following:

Casper is a great place to relax and have fun. The Casper Events Center is the largest indoor venue in the state; it draws in national artists and concerts on a regular basis, seats up to 9,500 people at a time and attracts more than 250,000 visitors each year.

If you prefer downhill skiing, Casper is home to the Hogadon Ski Area, which offers 14 trails and over 600 feet of vertical drop. The city boasts 42 parks, a large recreation center, an ice arena and an indoor aquatics center. The city also offers nine family sports leagues featuring 500 teams totaling 5,268 players.

Still haven't found what you're looking for? The city also is the home to four golf courses, including the 27-hole Municipal Golf Course. It also boasts five museums, two minor league sports teams, the Stuckenhoff shooting range, and the Central Wyoming Symphony Orchestra.

Casper is the site of the Central Wyoming Fair & Rodeo which is held annually during the second week of July featuring PRCA rodeo action, carnivals, 4-H and open exhibits and concerts. The National Collegiate Rodeo Finals are also held in Casper in June of each year and showcase the best of the nation's young college rodeo stars.

RECREATION & WILDLIFE

The North Platte River flows through Natrona County as well as through Casper. Three large reservoirs have been created along the North Platte River: Alcova, Seminoe and Gray Reef. In addition to the many recreational resources, all three of the reservoirs provide irrigation water for Wyoming and Nebraska. Below Gray Reef Dam, there exists a tail-water fishery that is known for large rainbow, cutthroat, and brown trout. Gray Reef Dam and Miracle Mile near Alcova Reservoir are known as premier fly fishing destinations with world-wide recognition.

An article in the February 2012 Wyoming Wildlife magazine has a statement that touts the North Platte as a river that has quietly become, in the opinion of many of the most well-traveled fly casters in the country, the best rainbow trout stream in the western United States, perhaps the entire nation. In the past decade, American Angler magazine has twice heralded the Gray Reef segment of the North Platte River among the top destinations in the world to catch trophy rainbow trout.

The ranch has a very diverse wildlife population which produces Boone and Crockett pronghorn antelope. The hunting rights for antelope are leased to an outfitter in the area for a yearly rental of \$11,000. The river has eight duck blinds that are currently rented out at \$500 per year per blind with a waiting list for any vacancies. Fishing on the North Platte River is done on a per boat basis with an annual income of approximately \$20,000. The out-of-state hunting income is approximately \$10,000 per year; however, any elk hunting on the ranch has always been reserved for family and friends.

IMPORTANT NOTICE

Clark & Associates Land Brokers, LLC (Name of Brokerage Company)

REAL ESTATE BROKERAGE DISCLOSURE

When you select a Real Estate Broker Firm, Broker or sales person (all referred to as "Broker") to assist you in a real estate transaction, the Broker may do so in one of several capacities. In accordance with Wyoming's Brokerage Relationships Act, this notice discloses the types of working relationships that are available to you.

Seller's Agent. (Requires written agreement with Seller)

If a Seller signs a written listing agreement with a Broker and engages the Broker as a Seller's agent, the Broker represents the Seller. On properties listed with other brokerage companies, the Broker may work as an agent for the Seller if the Seller agrees to have the Broker work as a subagent. As an agent or subagent for the Seller, the Broker represents the Seller and owes the Seller a duty of utmost good faith, loyalty, and fidelity in addition to the **obligations** enumerated below for Intermediaries. Wyo. Stat. § 33-28-303(a). The Seller may be vicariously liable for the acts of the Seller's Agent or Seller's subagent that are approved, directed or ratified by the Seller.

Customer. (No written agreement with Buyer)

A customer is a party to a real estate transaction who has established no intermediary or agency relationship with any Broker in that transaction. A Broker may work as an agent for the Seller treating the Buyer as a customer or as an agent for the Buyer treating the Seller as a customer. Also when a Buyer or Seller is represented by another Broker, a Broker may work with the other Buyer or Seller as a customer, having no written agreement, agency or intermediary relationship with either party. A Broker working with a customer shall owe no duty of confidentiality to a customer. Any information shared with Broker may be shared with the other party to the transaction at customer's risk. The customer should not tell the Broker any information which the customer does not want shared with the other party to the transaction. The customer should not tell the Broker any information which the customer does not want shared with the other party to the transaction. The Broker must treat the customer honestly and with fairness disclosing all material matters actually known by the Broker. The Broker owes the customer the **obligations** enumerated below for Intermediaries which are marked with asterisks. W.S. § 33-28-310(a).

Buyer's Agent. (Requires written agreement with Buyer)

If a Buyer signs a written Buyer Agency Agreement with a Broker, the Broker will act as an agent for the Buyer. If so, the Broker represents the Buyer and owes the Buyer a duty of utmost good faith, loyalty and fidelity in addition to the **obligations** enumerated below for Intermediaries. The Buyer may be vicariously liable for the acts of the Buyer's Agent that are approved, directed or ratified by the Buyer. As a Buyer's Agent, Wyoming law requires the Broker to disclose to potential Sellers all adverse material facts, which may include material facts regarding the Buyer's financial ability to perform the terms of the transaction. Wyo. Stat. § 33-28-304(c). As a Buyer's Agent, the Broker has duties to disclose to the Buyer certain information; therefore, the Seller should not tell the Broker any information which the Seller does not want shared with the Buyer.

Intermediary. (Requires written agreement with Seller and/or Buyer)

The Intermediary relationship is a non-agency relationship which may be established between a Broker and a Seller and/or a Broker and a Buyer. A Seller may choose to engage a Broker as an Intermediary when listing a property. A Buyer may also choose to engage a Broker as an Intermediary. An Intermediary shall not act as an agent or advocate for any party and shall be limited to providing those services set forth below. Wyo. Stat. § 33-28-305.

As an Intermediary (Non-Agent), Broker will not represent you or act as your agent. The parties to a transaction are not legally responsible for the actions of an Intermediary and an Intermediary does not owe the parties the duties of an agent, including the fiduciary duties of loyalty and fidelity. Broker will have the following **obligations** to you:

- perform the terms of any written agreement made by the Intermediary with any party or parties to the transaction;
- exercise reasonable skill and care;*
- advise the parties to obtain expert advice as to material matters about which the Intermediary knows but the specifics of which are beyond the expertise of the Intermediary;*
- present all offers and counteroffers in a timely manner;*
- account promptly for all money and property the Broker received;*
- keep you fully informed regarding the transaction;*
- obtain the written consent of the parties before assisting the Buyer and Seller in the same real estate transaction as an Intermediary to both parties to the transaction;
- assist in complying with the terms and conditions of any contract and with the closing of the transaction;*
- disclose to the parties any interests the Intermediary may have which are adverse to the interest of either party;
- disclose to prospective Buyers, known adverse material facts about the property;*
- disclose to prospective Sellers, any known adverse material facts, including adverse material facts pertaining to the Buyer's financial ability to perform the terms of the transaction;*
- disclose to the parties that an Intermediary owes no fiduciary duty either to Buyer or Seller, is not allowed to negotiate on behalf of the Buyer or Seller, and may be prohibited from disclosing information about the other party, which if known, could materially affect negotiations in the real estate transaction.

As Intermediary, the Broker will disclose all information to each party, but will not disclose the following information without your informed consent:

- the motivating factors for buying or selling the property;
- that you will agree to financing terms other than those offered, or
- any material information about you, unless disclosure is required by law or if lack of disclosure would constitute dishonest dealing or fraud.

Change From Agent to Intermediary – In – House Transaction

If a Buyer who has signed a Buyer Agency Agreement with the Broker wants to look at or submit an offer on property Broker has listed as an agent for the Seller, the Seller and the Buyer may consent in writing to allow Broker to change to an Intermediary (non-agency) relationship with both the Buyer and the Seller. Wyo. Stat. § 33-28-307.

An established relationship cannot be modified without the written consent of the Buyer or the Seller. The Buyer or Seller may, but are not required to, negotiate different commission fees as a condition to consenting to a change in relationship.

Designated Agent. (requires written designation by the brokerage firm and acknowledgement by the Buyer or Seller)

A designated agent means a licensee who is designated by a responsible broker to serve as an agent or intermediary for a Seller or Buyer in a real estate transaction. Wyo. Stat. § 33-28-301 (a)(x).

In order to facilitate a real estate transaction a Brokerage Firm may designate a licensee as your agent or intermediary. The Designated Agent will have the same duties to the Buyer and Seller as a Buyer's or Seller's Agent or Intermediary. The Broker or an appointed "transaction manager" will supervise the transaction and will not disclose to either party confidential information about the Buyer or Seller. The designation of agency may occur at the time the Buyer or Seller enters into an agency agreement with the Brokerage Firm or the designation of agency may occur later if an "in house" real estate transaction

occurs. At that time, the Broker or "transaction manager" will immediately disclose to the Buyer and Seller that designated agency will occur.

Duties Owed by An Agent But Not Owed By An Intermediary.

WHEN ACTING AS THE AGENT FOR ONE PARTY (EITHER BUYER OR SELLER), BROKER HAS FIDUCIARY DUTIES OF UTMOST GOOD FAITH, LOYALTY, AND FIELITY TO THAT ONE PARTY. A BROKER ENGAGED AS AN INTERMEDIARY DOES NOT REPRESENT THE BUYER OR THE SELLER AND WILL NOT OWE EITHER PARTY THOSE FIDUCIARY DUTIES. HOWEVER, THE INTERMEDIARY MUST EXERCISE REASONABLE SKILL AND CARE AND MUST COMPLY WITH WYOMING LAW. AN INTERMEDIARY IS NOT AN AGENT OF ADVOCATE FOR EITHER PARTY. SELLER AND BUYER SHALL NOT BE LIABLE FOR ACTS OF AN INTERMEDIARY, SO LONG AS THE INTERMEDIARY COMPLIES WITH THE REQUIREMENTS OF WYOMING'S BROKERAGE RELATIONSHIPS ACT. WYO. STAT. § 33-28-306(a)(iii).

THIS WRITTEN DISCLOSURE AND ACKNOWLEDGMENT, BY ITSELF, SHALL NOT CONSTITUTE A CONTRACT OR AGREEMENT WITH THE BROKER OR HIS/HER FIRM. UNTIL THE BUYER OR SELLER EXECUTES THIS DISCLOSURE AND ACKNOWLEDGEMENT, NO REPRESENTATION AGREEMENT SHALL BE EXECUTED OR VALID. WYO. STAT. § 33-28-306(b).

NO MATTER WHICH RELATIONSHIP IS ESTABILSHED, A REAL ESTATE BROKER IS NOT ALLOWED TO GIVE LEGAL ADVICE. IF YOU HAVE QUESTIONS ABOUT THIS NOTICE OR ANY DOCUMENT IN A REAL ESTATE TRANSACTION, CONSULT LEGAL COUNSEL AND OTHER COUNSEL BEFORE SIGNING.

The amount or rate of a real estate commission for any brokerage relationships is not fixed by law. It is set by each Broker individually and may be negotiable between the Buyer or Seller and the Broker.
